**Supplement to the Aware Ultra-Short Duration Enhanced Income ETF (the “Fund”)**

**Prospectus dated January 9, 2019, as previously supplemented,  
and Summary Prospectus dated April 12, 2019**

In order to reflect certain changes to the categorizations set by the relevant standard-setting and regulatory support organization applicable to U.S. insurance companies, effective March 31, 2020, the Fund’s Investment Objective is replaced with the following:

The Aware Ultra-Short Duration Enhanced Income ETF (the “Fund”) seeks to maximize current income targeting a yield of 0.75% to 1.00% over the yield of the most recently issued 3-month U.S. Treasury bill while maintaining a portfolio consistent with the preservation of capital and daily liquidity designed to meet the requirements of the relevant standard-setting and regulatory support organization applicable to U.S. insurance companies for treatment equivalent to that of investment grade securities held by a U.S. insurance company, while striving to achieve the status denoting the most favorable numerical group of credit quality categories for such investments held by U.S. insurance companies.
